Total		\$5,050.00

JOB DESCRIPTION

Retain the existing approximately 86 in. wide x 58 in. high window opening and replace the current window assembly with one large custom white vinyl, double-pane Low-E window. The work includes removal and disposal of the existing window and interior trim, preparation of the opening, flashing, waterproof membrane, insulation and exterior-grade sealant, repair of affected siding with new J-channel, repair and finish of the interior drywall, new interior trim, priming and painting of the repaired drywall and trim, and final clean-up of the work area.

TERMS & CONDITIONS

Scope: Final window dimensions must be field verified before ordering. Existing siding and paint will be matched as closely as possible; an exact match is not guaranteed.

Not included: Hidden rot, insect damage, structural repairs, electrical relocation, permits and engineering. Changes to the existing header or structural supports require owner approval and additional pricing.

Notes: Jobsite will be left clean once completed.

Warranty: 12 months workmanship.

Payment: Subtotal \$5,750.00 → Cash Discount -\$700.00 → Total \$5,050.00.

Deposit \$2,525.00 — upon signing · Upon completion of project \$2,525.00.

Check is a preferred method.
